Wincobank Hall
Rotherham
Oct-15-1867.

Dear Friend

216 Your kind in
you to write me so
long a letter - It will
ever be preserved
amongst my treasures.
I cannot quite give
up the hope of seeing
you - I am so
grieved that no
meeting has been
arranged for Sheffield

Winnobank is about
equally distant from
Sheffield & Rotherham
or rather I should
say Masborough,
so whichever way
you travel you will
be near us.
Would it not be
possible to leave
Birmingham by an
earlier Train, come
and lunch at Winno
-bank, and proceed
to Leeds in the

afternoon? I can
offer no inducement
but the pleasure of
pleasing - It would
indeed be a very
great pleasure to me.
If you again visit
England it is not
likely that I shall
be living -

I see that dear
George Thompson is
expected in Leeds -
If he is travelling
with you, and

could accompany
you here, it would
indeed be an addi-
tional gratification.
Believe me, with
the deepest vene-
ration.

Yours most truly,

M. L. Rawson

As W. Lupton will
have you all the Sunday
he ought not to expect
you till late on
Saturday.
